

Financial Assistance Arrangements

We only schedule procedures at this facility by physicians who are on the medical staff at the facility. If your physician has determined that special financial assistance may be warranted and the physician agrees to those special financial arrangements for his or her services, you may be eligible for special financial assistance at the facility. If your physician or the physician's office staff has agreed to provide special financial assistance to you for a procedure the physician wants to schedule at this facility, please contact us.

We will require you complete an application for financial assistance that provides us information about your income and expenses. This will allow us to assess your need and qualifications for special financial assistance.

We follow the most recent poverty guidelines set by the U.S. Department of Health and Human Services.
